Dear Beefmaster Breeders,

When was the last time you saw a sale totally influenced by one herd bull? I have been in this business since 1987 and it's been a long time ago.

Kix Brooks and Mike Leatherwood got into the Beefmaster business making their first purchases from Clark Jones (previous Breeder of The Year) and purchased Smith and Wesson in March of 2011 at the STBBA Houston Futurity Sale. He was sold by the 2013 BBU Breeder of The Year, Mackie Bounds, Swinging B Ranch. Upon purchase a breeding and marketing program was set in place. Finally 3 1/2 years later you and the Beefmaster world will see why Smith and Wesson is one of the great breeding bulls in our breed.

The majority of the cattle offered are out of four heifers (donor prospects we purchased from Steve and Cindy Emmons in 2012), also previous Breeders Of The Year. Most importantly is that you will see that Smith and Wesson is a bull that can easily be bred across the board to various phenotypes and genotypes.

You will find his sons and daughters the "right kind". The six bulls offered are as consistent to look at as it gets. The heifers are peas in a pod. Consistency is so important in the cattle business! Smith and Wesson is doing it.

Steve Dodds is a major partner in most of the cattle offered. He also brought additional lots to the sale that will blow your mind. Mackie Bounds and Mike Savage also have brought you special lots.

We are all very fortunate to have Kix Brooks breeding our cattle. He's "all in" when it comes to Beefmaster cattle and cattle folks. He, Mike and Steve are excited to show you the offering set in place by Smith and Wesson.

The cattle will be in place at the beautiful Painted Springs Farm in Thompson Station, TN on Friday, October 3. We're going to eat, socialize and listen to country music. I wonder who the performer is. Ha ha! Saturday the 4th the sale starts at 10 am. Trucking and insurance will be available.

Come join us for food, fun, great cattle and great people!. If myself or any of the sale staff can help you please don't hesitate to call.

See you there!

Sincerely,
Mike Green

Greetings from the Great State of Tennessee to all of our Beefmaster Breeders.

Please accept this invitation to join us for the first Smith & Wesson Influenced Production Sale at Painted Springs Beefmasters located in the scenic beauty of Thompson Station.

Kix Brooks, Mike Leatherwood and I are excited to offer for your consideration a set of cattle that have been through extensive testing, producing the quality we feel will make your program excel.

These cattle exhibit the six essentials we all strive for in our herds. This is the most consistent set of cattle that I have ever raised.

If you are considering a new herd sire, take notice of this offering. Conformation, fertility and eye appeal are at the top of the charts. Smith & Wesson is definitely a bull producer.

The heifers and embryo calves are impressive. With such consistency it should not be difficult choosing which ones that will enhance your herd.

Kix Brooks is a great ambassador for the Beefmaster Breed as he travels across the country promoting our cattle and the great people involved with the breed. He is truly an asset. We are fortunate to have him involved with BBU.

Lastly, I want to tell you about my friends, Mike and Amber Leatherwood. Since becoming a part of the breed, they have spent countless hours focusing on the cattle they want to present as a part of Painted Springs Beefmaster. Always seeking to learn and enhance their program has produced, as you will see a set of cattle that will impress buyers from each region.

Again, let me invite you to come join us. We will enjoy a fun weekend and the cattle are exceptional.

THE NEXT THREE HEIFERS ARE OUT OF EMS SMOOTH COCO FROM STEVE AND CINDY'S 2012 SALE. SHE WAS EXTREMELY FEMININE AND CLEAN AND JUST LOOKED LIKE A GREAT MAMA COW. WE CERTAINLY LIKED THAT SHE WAS A SUGARBELLE DAUGHTER ALSO. ALL THREE TURNED OUT BLACK. ACROSS THE BOARD THEY HAD SOME OF THE HIGHEST %IMF, RANKING THIRD AND FOURTH ON TWO OF THEM. ALL THREE WERE A I TO SUGAR BRITCHES ON JULY 17-18. THEN THEY WERE PUT WITH KIX'S BRITCHES AFTER AUGUST 3.
