MATURE COW HERD DISPERSION

October 18, 2014 • 1 P.M.

Southeast Mississippi Livestock • Hattiesburg, MS

Lane Smith, Owner 601-606-7859
243 Haden Road
Purvis, MS 39475
lanesdozser@aol.com

Dear Angus Friends,

We would like to welcome you to our Mature Female Sale. It is with great pleasure we bring you some of our finest ladies. The decision to sell at this time was a very hard one as a lot of these females are the backbone of our operation. But the time has come to move forward with our younger generation of females. We are in no way getting out of the Angus business. The love we have for the cattle is tremendous, and we cannot wait to see what the future holds for Smith Farms.

This sale will feature 107 cows, some pairs and some heavy bred. They have been raised on grass and are very accustomed to the extreme changes of weather in South Mississippi.

We would like to take the time now invite you to our 2nd Annual Southern Cattlemen's Bull Sale to be held the 3rd Saturday in February, 2015 at Southeast Mississippi Livestock in Hattiesburg, MS. This sale will feature 50 of our Angus bulls and 25 Hereford bulls from our friends at MG Farms.

*Looking forward to seeing you,
Lane & Karla Smith*

**Mark Your Calendars for February 21, 2015
Southern Cattlemen's Bull & Female Sale!**

Saturday • October 18, 2014 • 1 p.m.

MATURE COW HERD DISPERSION

107 LOTS OF OUTSTANDING REGISTERED BLACK ANGUS

Sale Location:

Southeast Mississippi Livestock
7677 US Hwy 49
Hattiesburg, MS

Sale Day Phones:

662-837-1776 • 601-543-7688
601-268-2587

Sale Staff:

Jarvene Shackelford, Sale Manager & Auctioneer MS LI #225L
Larry Fitzgerald, Consultant 601-337-1313

MS Cattlemen's Association
Mike Keene, Extension Livestock Specialist

Immediately following the "Mature Cow Herd Dispersion" approximately 100 commercial females will sell. For information concerning these commercial females, contact Joe Johnson 601-268-2587.

Brangus Type - Black Baldies - Brafords
Average Age 5 Years
Calving January 1 to March 31, 2015
MG/4M Farms - (601) 597-5995 Ron Melancon

Points to Ponder

Health: Health papers furnished for immediate shipment.

Terms: Cattle sell under the suggested Terms and Conditions of the American Angus Association (http://www.angus.org/Pub/suggested_sale_terms.pdf). Settlement must be made the day of sale.

Liability: All persons attending this sale do so at their own risk. American Livestock Brokers and Southeast Mississippi Livestock act as agents only - agreement is between buyer and seller.

Insurance: Available on purchase.

Food & Refreshments: Available at the sale.

Announcements: All announcements made from the sale box take precedence over sale book information.

Local Motels: Numerous creditable motels near sale location.

Visit the Angus Journal® Web site, www.angusjournal.com, and view this sale book online. EPDs current as of August 19, 2014. Updated EPDs can be viewed online at www.angus.org.

Dear Cattlemen,

It has been proven over the years that Angus is the beef breed and this is an exciting time to be in the "Angus Business." No other breed can match the extensive support system offered by the breed association as does the American Angus Association. No other breed offers the progressive program to match Certified Angus Beef.

Therefore, it is my determination that you will benefit greatly by joining us for this tremendous offering of Angus females on October 18, 2014 for the Mature Cow Herd Dispersion from the Smith Farms' program. Lane is not getting out of the cattle business, just cutting back on numbers. You can purchase from this sale with the confidence that Smith Farms will still be here for you.

Lane Smith has developed his herd with the cowman in mind without chasing every new fad to come down the pike. This "Mature Cow Herd Dispersion" will allow you a rare opportunity to benefit from Lane Smith's years of experience breeding to some of the best Angus bulls of the breed. Lane has worked hard to develop a highly productive herd of Angus cattle that will work efficiently under southern Mississippi conditions. Every cow in this program must produce and only the top heifers are retained for replacement females. As you can see in the sale book, most are between three to six years of age with 90% calving before December 31, 2014 and the remaining to calve before February. These females are sound and functional with lots of production life remaining.

Without hesitation, I can truly say that some of the best people in the world are cattle folks, and I am thankful for the opportunity to work with such a select group on a daily basis. I strongly urge you to be with us on October 18, 2014 for this Mature Cow Herd Dispersion.

Please contact me if I may be of assistance to you in any capacity.

Kindest regards,

Jarvene Shackelford
