CATTLEMEN'S CHOICE

SOUTHERN CATTLEMEN'S BULL AND FEMALE SALE

Southeast Mississippi Livestock, 6766 US Hwy 49, Hattiesburg, MS

Southeast Mississippi Livestock Manager, Joe Johnson

Smith Farms is a program dedicated to producing superior Angus genetics with an emphasis on high quality bulls for the commercial or registered herds that work in the Deep South. An aggressive embryo program allows this cow herd to move forward at a faster pace by utilizing only the best genetics!!!

Dear Friends,

SMITH FARMS
Lane Smith, Owner 601-606-7859

Purvis, MS 39475
lanesdozser@aol.com

Here at Smith Farms we are pleased to welcome you to our "Second Annual Southern Cattlemen's Bull and Female Sale," featuring cattle from Smith Farms as well from our friends at MG Farms. The sale will start at 1:00 pm Saturday, February 21, 2015 at Southeast Mississippi Livestock in Hattiesburg, MS.

Smith Farms will feature 55 of our finest Angus bulls. These bulls have been tested for fertility and are ready for service. All of these bulls are strong and were developed with the commercial man in mind. As a set they are easy fleshing and structurally sound, thick moderate framed with strong maternal traits bred into them. These bulls have been developed in large groups with lots of range and ample grass with limited grain. Bulls have been fed a forage based high fiber ration. Our bulls have been raised in and adjusted well to the extreme day-to-day challenges of our south Mississippi weather.

We look forward to seeing you,

Lane & Karla Smith

**MG/4M
FARMS**

MG/4M Farms is family run operation that strives to produce high quality Hereford and Angus females. These purebred animals are utilized to maintain a large commercial herd composed of F1 females of both Hereford and Angus base, with the results of a large number of Baldies. Most of the animals that the children, Rylie and Stran, show come from within the 4M program. Bulls to quality Hereford and Angus females.

Whether you are a returning customer from our 1st Annual Sale or this is your first time with us, MG/4M Farms, along with our friends Smith Angus Farms, would like to welcome you to the 2nd Annual Southern Cattlemen's Bull & Female Sale. The sale will take place February 21, 2015 at the Southeast Livestock in Hattiesburg, MS at 1:00 pm.

We are proud to say we have learned a lot from our last sale. We have put together a more complete and stronger set of bulls and females for you today. We have carefully reviewed all EPD traits and have emphasized our bulls with low birth weights. Most of these bulls can be used on heifers. Hereford sired calves are the "hot ticket" these days. Those Hereford sired heifers are very maternal, easy keepers and very adaptive to our area. Our bulls have been grown on pasture and have been supplemented with a high forage ration. We have hand fed the bulls and they all have a great temperament. All the bulls have passed their BSE and are up to date on all deworming and vaccinations.

We are pleased to bring you this great set of breeding age heifers. They consist of F1 Braford's, half-blood Brangus/super baldies, quarter blood baldies and registered Hereford & Angus heifers. We know these heifers will work great in your program. These heifers are OCV'd and up to date on all vaccinations.

We are willing to answer any questions that you should have and look forward to seeing you at the sale!

Ron, Shaunna, Rylie & Stran Melancon

Dear Cattlemen,

It is with great pleasure for me to be working with Lane Smith and Ron Melancon plus their families on "The Second Southern Cattlemen's Bull and Female Sale" to be held at the Southeast Mississippi Livestock in Hattiesburg, Mississippi. Their first sale held in 2014 was a tremendous success and I would like to take this opportunity to thank all those that attended and/or purchased from that sale. I want to personally invite you each to join us on February 21 for the offering of 2015.

The group of bulls brought to you by Smith Farms and MG/4M Farms will allow you a unique advantage of selecting from two of the most popular beef breeds - Angus and Hereford. These bulls are ready to go out and work improvement in your program and will fit the needs of Southern Cattlemen. These bulls are accustomed to our environment and will impress you with their ability.

The females have been developed in a way to last many seasons in production. They are the right type to make top brood cows in both the registered females and in the commercial females selling.

The interest in the cattle industry is at an all-time high right now with cattle numbers at an all-time low. You must not miss this opportunity to fill your herd needs as this is your chance to take advantage.

Hope to visit with you on the 21st. If I may assist you in any capacity, please contact me.

Sincerely,
 Jarvene Shackelford

A special Thank You to Mr. Larry Fitzgerald for his dedication in helping us at Smith Farms achieve our long term goals in the Angus Industry. You are a blessing to us!
Love and Appreciation -
Lane and Karla Smith
