Bidding

Bidding will be done by preassigned bidder numbers. Please register before placing your bid to obtain your bidding number and confirm all contact information. Phone and absentee bids are welcomed and will be strictly confidential.

Sale Updates

We have made every attempt to supply the most current and accurate information available on the cattle being offered. Any updated or additional information made available at the sale will take precedence over previously printed material.

Terms of Sale

All cattle will sell under the suggested terms and conditions of the American Simmental Association, available at the clerk's desk on sale day. Cash or check is required before or immediately following the sale before cattle are released for load out. Registration certificates will not be transferred until any outstanding balance is paid in full. Ownership will be transferred at the seller's expense. Buyers must provide proper name and address for transfer.

Breeding Guarantee

All bulls have been examined thoroughly for physical and reproductive soundness and are guaranteed to be breeders for a period of 180 days from sale date, if they have been given proper care. Any claim of a bull being a non-breeder must be in writing to Southern Excellence by May 21, 2015. If the bull is proven to be a non-breeder, the Southern Excellence consignor shall, at the option of the buyer, replace the bull with another bull of equal value or grant the buyer a credit on other bulls.

EPDs

The EPDs printed in this catalog are Fall 2014 numbers and are the latest available EPDs from the ASA. Due to the timing of the sale and other factors beyond our control, EPDs may change before certificates are re-issued to buyers. Visit www.simmental.org to view the most current EPDs available, EPD percentile tables or complete production records.

Liability

All persons who attend the sale do so at their own risk and neither owners, RCS or Whelan Farms assumes any responsibility, legal or otherwise, for damages, accidents, thefts, errors in the catalog or omissions. All cattle are at the purchaser's risk as soon as sold. Assistance will be offered in loading and/or shipment of cattle, but no risk is assumed by any group of individual associated with the sale.

Sale Updates & Videos

Updated sale information and videos of sale bulls can be found online at, www.whelanfarms.com

Welcome

Dear Friends,

On behalf of the Southern Excellence consignors, Lisa and I would like to invite you to our 2nd annual Southern Excellence Simmental and SimAngus bull sale. We have an outstanding set of 70+ Simmental and SimAngus bulls for your consideration. We will also be offering a select group of registered and commercial females: breds, opens and pairs.

With the incredible success of our first sale, Jeremie Ruble and I traveled throughout the states of Alabama, Georgia, Florida, and Indiana in early May, we were given the pick of the bull calves from each individual breeder. We are confident we have the very best Simmental and SimAngus genetics found anywhere in the country.

Our focus at Southern Excellence is to develop bulls that are in optimum condition to be released into your herd and go straight to work. All bulls are soundness tested and complete ultrasound data collected. All bulls sell with a 100% guarantee.

Whether you are looking for a calving ease bull for your heifers, a bull for your mature cow herd, or anything in between, we should have a bull to fit your needs.

On behalf of Southern Excellence, we would like to thank our first year customers and we look forward to continuing to serve you. We are excited to continue to build new relationships as we strive to serve our fellow cattle producers.

We invite you to join us for our pre-sale lunch beginning at 10:45 am. Again this year we will be serving our world famous Southern Excellence smoked brisket; you don't want to miss this!

Hope to see you here!

Rick and Lisa Whelan
Southern Excellence

On behalf of the Southern Excellence members and Ruble Cattle Services we would like to welcome you to the second annual Southern Excellence Fall Sale. We've put the time into driving around and screening the bulls from members around the country to ensure a quality set from top to bottom. We have the best of the best from a cow base of over 1,000 head. These bulls have been developed to the optimum condition in order to maintain their virility and longevity. All of the bulls have been developed 100% the same with no preferential treatment. These bulls are rugged and southern adapted to do the job. Our program focuses on making cattle that exceed expectations set forth by the United States beef industry. We use genetics that have great EPDs and Indexes, and have the phenotype you love to look at in the pasture. We feel confident this year's fall sale has something to add to every kind of cattle program.

We look forward to seeing you at the sale or talking to you over the phone. If you can't make to the sale we will offer you a complete description of the sale cattle and help arrange affordable trucking to the majority of the U.S. Special thanks goes out to Rick and Lisa Whelan for their efforts in hosting and making this sale happen. They spend numerous hours and have dedicated a major part of their everyday lives to ensuring the success of the sale. Their outreach to fellow breeders and their community is truly amazing. We hope you will join us for the best in southern hospitality.

Sincerely,

Marshall and Jeremie Ruble

glenncrumpler@cattleforchrist.com
www.cattleforchrist.com

The Southern Excellence producers are proud to be partners with the ministry of Cattle for Christ International Inc. We challenge you to join us and all the Cattle for Christ partners as we work together to make the Gospel and the love of Jesus Christ known to all people both here at home and around the world. At least 90% of every tax deductible dollar you give through Cattle for Christ will go directly to help meet the spiritual, emotional and physical needs of hurting children and adults who so desperately need hope and help. Never before have we had a greater opportunity or greater need to come together and impact the lives and eternal destinies of so many people in our nation and around the world. To see how you too can be a part of this important and life changing ministry, please contact Glenn Crumpler.

Notes

Prime hunting land. A quiet cabin on the river. A place where you can invest in your future. Whatever your dream, we can make it happen, with a loan package customized by professionals who understand rural land and rural lending. When you find the land, call the South's land and farm lending experts. Call First South Farm Credit.

THIS DREAM FINANCED BY
First South Farm Credit

SELECT Sires

Smooth. Agile.
 And flexes its muscle for HEAVY lifting.

Our new Massey Ferguson® 4600 Series mid-range tractor combines muscle and maneuverability for loader work. Its power shuttle transmission lets you go forward to reverse and back without clutching. Just another example of how we're using global innovation to help you farm your world. To learn more, visit us soon or masseyferguson.us.
