Welcome to the Northeast Arkansas Angus Association Spring Sale to be held on March 15, 2014 at Charlotte near Batesville, Arkansas.

This Spring Sale is sure to be one of the best ever. From the standpoint of pedigree, this sale offering is the best to date. Many of the bulls selling are as good as any in the country and are worthy of being used in a purebred herd. The females are high quality and backed by the most modern genetics to be found.

Each consignor has dug deep into their herds to offer you the best they have. They are proud of their cattle and will back them up with great customer service.

The cattle business is at the highest peak I have ever seen in my life. Angus cattle drive the cattle market. They always command the top price at the market place.

Please join us on Friday night for a great prime rib meal prepared by the ASU of Heber Springs Culinary School. You will be most impressed. Desserts and sides will be provided by the Northeast Arkansas Angus Association.

Hope you will make plans to be with us on Saturday, March 15, 2014 for a great Angus event. If I can assist you in any manner please contact me.

*Sincerely,
Jarvene Shackelford*
