Shane Gylling	719-588-3882

ABSENTEE BIDDING:

Bid with confidence from the comfort of your home, simply call any Sale Day Phone or Sale Staff. All phone bidders are required to register for a bidder number before the sale. Registration begins Saturday morning.

ONLINE BIDDING:

Online bidding available through LiveAuction.TV. To register watch or bid please visit www.LiveAuction.TV. Please register prior to sale. For questions or technical support, please call 682-816-4900 or via TechSupport@LiveAuction.TV. After the sale buyers should contact Mobley Auction Service to arrange payment and pickup or delivery of purchase.

TERMS AND CONDITIONS:

Terms of the sale are cash or check. Full settlement must be made to the sales clerk immediately following the conclusion of the sale and before any cattle will be released from the ranch. Unless prior arrangement has been made with seller or Mobley Livestock Marketing.

PURCHASER'S RISK:

All animals are the owner's risk prior to their sale. Each animal will become the risk of the purchaser as soon as sold.

UPDATES AND ANNOUNCEMENTS:

A supplemental update sheet will be available sale day with complete and up to date information. Bulls scrotal circumference plus females breeding and calving reports will be provided. Any changes from any kind in the sale catalog or related materials will be announced from the auction block. Such announcements shall take precedence.

BIDDING:

The auctioneer will settle any disputes as to bids, and his decision on such matters shall be final.

CERTIFICATE OF REGISTRY:

A Certificate of registry for each registered animal will be transferred to the buyer at sellers expense.

BREEDING GUARANTEE:

All animals are guaranteed by the seller as outlined in the Red Angus Association of America Suggested Sale Terms & Conditions.

HEALTH:

Complete health certificates will be provided on all cattle for immediate interstate shipment. Sale Day Veterinarian: Brant Carpenter DVM & Katie Carpenter DVM of Carpenter Vet Clinic in Nocona, TX, 940-825-8509

LIABILITIES:

Anyone previewing the cattle and or attending the sale does so at their own risk. Neither Anthony Ranches and associates, nor Mobley Livestock Marketing and associates, nor anyone connected with the sale will be held liable for injury, property loss or accident that may occur to attendees or to purchased animals. Mobley Livestock Marketing and its representatives acts as an agent only; agreement is between buyer and seller. The responsibility for sold animals passes to the buyer when sold by the auctioneer. Buyers are encouraged to purchase their own insurance on newly bought cattle.

LIVESTOCK MORTALITY INSURANCE:

Insurance will be available on purchased cattle if desired. Ask Mobley Livestock Marketing associates for more information.

TRUCKING:

Truckers believed to be reliable will be available to assist with shipping. Ask Mobley Livestock Marketing associates for more information.

SALE ACCOMMODATIONS:

Best Western Inn & Suites, 816 US 287, Henrietta, TX	
30 min	940-538-6969
Red River Station Inn, 219 Clay St, Nacona, TX	
30 min	940-825-3107
Winstar World Casino Hotel, 21444 World Way Dr., Thackerville, OK	866-946-7787

SALE MANAGED BY:

Col. Luke Mobley

Welcome to the Sale

Welcome to our first annual production sale. We appreciate every one of you and we appreciate your interest in our cattle. We are excited to offer you this select group of cattle from our registered and commercial herds. Thank you. We think this is outstanding offering of bulls and females!

Jay and Jamie Anthony with daughter Katy Jo

Over the last 20 years we have been working diligently on our herd to improve their genetics. We have maternal cattle that have quality traits and phenotypes plus the longevity to stay in the herd. In our females you have the perfect opportunity to pick up some great genetics- whether registered or commercial- and we feel confident that you will find they are the cowman's kind.

Our bulls are raised here on the ranch in an environment in which they are expected to perform. That being said, they will have the conditioning and endurance to go straight to work in your herd.

We look forward to seeing you at the sale March 31.

Jay Anthony & Family

Sue Potts, ranch crew

William and Debbie Fair, ranch crew

Hal and Lane, ranch crew

Red Angus Guide to EPDS and Indexes

ProS... Profitability and Sustainability is an all-purpose index that predicts average economic differences in all segments in the beef supply chain. This index is a combination of the breeding objectives modeled in the HerdBuilder and GridMaster selection indexes. In this index, replacement heifers are retained from within the herd and all remaining progeny are fed out to slaughter and sold on a quality-based grid. Traits included in this index include calving ease, growth, HPG, STAY, Mature Weight, Dry Matter Intake and carcass traits. The resulting index is expressed in dollars per head born (Index/High Value).

HB..... HerdBuilder is a maternal selection index that predicts the economic differences of animals for traits that are important from conception through weaning. Expressed as dollars per head born, HB is calculated based on the scenario that bulls are mated to heifers and cows, replacement heifers are retained and all remaining progeny are marketed at weaning. Traits included in the HB index include Calving Ease Direct, Calving Ease Maternal, Weaning Weight, Milk, Mature Weight, Heifer Pregnancy and Stayability (Index/High Value).

GM..... GridMaster is a selection index that predicts the average economic difference of non-replacement calves through the post-weaning phase of production. GM places selection pressure on growth, feedyard performance and carcass traits. Expressed as dollars per head born, GM is calculated based on the scenario that progeny are fed out to slaughter and marketed on a quality-based carcass grid. Traits included in GM include Average Daily Gain, Carcass Weight, Dry Matter Intake, Marbling, Back Fat and Rib Eye Area (Index/High Value).

CED..... Calving Ease Direct predicts differences in the percent of calves born unassisted out of 2-year-old dams. (Percent/High Value)

BW..... Birth Weight predicts differences in actual birth weight of progeny. (Pounds/Low Value)

WW..... Weaning Weight predicts differences in 205-day weaning weight. (Pounds/High Value)

YW..... Yearling Weight predicts differences in 365-day yearling weight. (Pounds/High Value)

ADG..... Average Daily Gain predicts differences in weight gain between 205 and 365 days of age. (Pounds/High Value)

DMI..... Dry Matter Intake predicts differences in daily feed intake as measured in a feedlot during the post-weaning period. (Pounds/Low Value)

MILK..... Milk predicts differences in weaning weight attributed to the milking ability of the animal's daughters. (Pounds/High Value)

ME..... Maintenance Energy predicts the difference in maintenance energy requirements. (Mcal per Month/Low Value)

HPG..... Heifer Pregnancy predicts differences in the percent of daughters who are able to conceive and calve at 2 years of age following exposure to breeding. (Percent/High Value)

CEM..... Calving Ease Maternal predicts differences in the percent of daughters who are able to calve unassisted as 2-year-old heifers. (Percent/High Value)

STAY..... Stayability predicts differences in the ability of an animals' retained daughters to remain productive in the herd – calve every year – through 6 years of age. (Percent/High Value)

MARB..... Marbling predicts differences in marbling score – amount of intramuscular fat measured at the 13th rib. (Marbling Score Units/High Value)

YG..... Yield Grade predicts differences in USDA Yield Grade, which is calculated using CW, REA and Fat. (Yield Grade Units/Low Value)

CW..... Carcass Weight predicts differences in actual hot carcass weight. (Pounds/High Value)

REA..... Ribeye Area predicts differences in square inches of ribeye area measured at the 13th rib. (Square Inches/High Value)

FAT..... Fat predicts differences in the depth of backfat measured between the 12th and 13th ribs. (Inches/Low Value)

LSF HRR X-PORTER F085 Sire of Lot 54.

It is with excitement that I get to write the sale manager's letter for Anthony Ranches Red Angus Bull and Female Production Sale. I would like to welcome everyone to Ryan, Oklahoma for this Inaugural event.

The Red Angus industry as well as cattlemen in and around Southwest Oklahoma has long been anticipating this sale. Jay Anthony and family owners of Anthony Ranches are well known throughout Oklahoma and surrounding states for producing breed leading Red Angus genetics that will work in any cattle operation. Jay's dedication to providing his customer superior genetics that prove to be efficient & profitable is why cattlemen come to trust in the Anthony Ranches Red Angus brand.

Bulls and females developed in Oklahoma and adapted to the Southwest Oklahoma and Northeast Texas environment. As you look through this sale book you will see these bulls are ready to go to work for you. All bulls will have a current semen test, breeding soundness exam (BSE) and GE-EPDs on Anthony bulls providing you the tools to buy with confidence. Don't overlook this select offering of Anthony Ranches Red Angus females. Pairs, spring and fall calving cows and heifers that you would be proud to have as an addition to your herd. Red Angus females with the genetics you will select to keep in your herd for years to come.

I encourage you to contact Jay Anthony or I to learn more about Anthony Red Angus Sale offering. I look forward to seeing you in Ryan, Oklahoma at the Anthony Ranches Inaugural Red Angus Production Sale.

Please contact me if you have any questions or if I can be of any assistance!

Luke Mobley, 205-270-0999

RED ANGUS FCCP MARKETING PROGRAMS

The Red Angus Feeder Calf Certification Program is the first step in differentiating your cattle to buyers, feedlots and packers.

Experience industry-leading return on investment for just the cost of an ear tag – with no enrollment fees.

The Red Angus Association of America Marketing Team offers assistance to Red Angus bull customers at no charge.

Feeder Calf Certification Program

- Traceability to at least 50% Red Angus genetics
- Source verified to ranch of origin
- Group age verified

Eligible for Choice+ and G.O. Red Grids
No enrollment fee, 99¢/tag
840-compliant EIDs available upon request

PARAMOUNT

Elevate to a more valuable female.

For over a decade, Red Angus females have commanded more at auction than all other breeds, including Angus. According to Superior Livestock data, Red Angus heifers brought nearly \$17/cwt more – **that equates to a \$92/head premium on a weaned replacement female.**

To learn more about industry-leading stayability, visit RedAngus.org
