BULLS & FROZEN GENETICS

SATURDAY, MAY 18, 2024
1:00 PM CST • Cullman Stockyard • Cullman, AL

INVESTED IN YOUR SUCCESS!

On behalf of Ruble Cattle Services, Alabama Simmental Association, and Mississippi Simmental Association we would like to welcome you to the 9th annual AL/MS State Simmental Sale. We have outstanding genetic lots and live animals in every stage of production. In this diverse group of specimens, you will find Simmental, SimAngus, Angus, and commercial females. This sale will be featuring a large group of front end bred heifers consigned by Lonesome Pine Farm. Mr. Terry Bowen's cattle always rise to the top wherever he consigns. The selection of cow/calf pairs by multiple consigners should definitely be a sale highlight. We will also have a nice selection of service age bulls ready for immediate use. We do have something for every type of cattle. Pay close attention to the genetic lots. We are selling semen on really top notch bulls and some of the bulls are really hard to get or this will be the first time they have been offered to the public. All the cattle and genetics in the sale will do well for their new owners. All the consigning breeders in Alabama and Mississippi put their best foot forward in a collaborative effort. A special thank you goes out to the boards of directors for AL and MS. This sale is not only a way to generate income for both state associations, but it also gives an opportunity to all state members to market cattle on a national level. This event would not be possible without a lot of hard work and dedication by both associations. Please join us on sale day to help support this great group of breeders. We will work on finding economical trucking for lots purchased in the sale. You may contact any member of Ruble Cattle Services or the marketing team if you would like to talk about the cattle and leave absentee bids. We look forward to seeing you on sale day.

Watch & bid online for FREE at

DVAuction
Broadcasting Real-Time Auctions

Can't make the sale? Bid from home with DV Auction's "real-time" internet bidding service!

Buying online is as easy as 1, 2, 3...

1. Create an account at www.dvauction.com under the "register" tab
2. Apply for bidding approval by clicking on the "details" tab at least 24 hours prior to the auction-a DV representative will notify you once you have been approved
3. Tune in for the sale and make your purchases!

After the sale, contact the sale manager or owner to arrange transportation and payment. **High speed internet** is required for successful bidding-be sure to check the lag-time monitor in the top left corner to ensure real-time broadcasts.

Proxy Bidding-if you can't make time to watch the sale, register a proxy bid and let our system represent your bid while you're away. Look for the "proxy bid" tab on the auction listing, and fill in your maximum bids. We'll handle the rest!

Having troubles? During the auction, you can type a message to the operator at any time for assistance. Our full-time support team can also always be reached at (402) 474-5557.

AI'd to TJ STONE COLD 336G (ASA# 3611790) on 12/8/23. PE to BGIBBS 0601H PRP (ASA# 3883310) from 12/10/23 to 1/30/24.

This is one of the GIBBS FAST TRACK daughters to ever be sold. Her sire was the \$15,000 bull that was purchased from Black Summit in Wyoming. They sold the first track son this year for \$50,000 to Genex. This heifer is a big broody female that will add pounds and performance. She is unique to have this much eye appeal with and immense amount of mass.

Act. BW: 75# / Sired by TJ MC SQUARED 509H (ASA#: 3762645)

PE to RFS K25 (ASA# 4097007) from 12/26/23 to 2/23/24. PE to TJ MC SQUARED 509H (ASA# 3762645) from 2/24/24 to 3/22/24. To be checked prior to sale day.

H114 is a moderate framed, easy keeping female with near perfect udder construction. She scored a 4 G+ ACE from Top Genomics Right Score. The bull calf at her side will make a really nice herd sire with very balanced EPDs, he scored a 5 G+ from Top Genomics Right Score. H114 has a very interesting outcross heterozygous black pregnancy due in November out of the RFS K25 bull. This is a herd builder 3 in 1 pair.

Act. BW: # / Sired by GIBBS 9382G BIG W959 (ASA#: 3716966)

AI'd to LCDR RESERVE 210J (ASA# 3960639) on 12/17/23. PE to GIBBS 5213C FLINTLOCK (ASA# 3104902) from 12/28/23 to 3/1/24. Confirmed safe to AI date with a bull calf.

This is a pair I really hate to turn loose but we felt this was one of our best to offer. This is a purebred package at its best. Queen is big middle with sound structure. She has a purebred calf at side that has grown well and would make a sound replacement in any herd. Breeding options are endless and if your looking to make reds here is your chance. We bred her back to LCDR RESERVE, a bull we felt complimented her well and the chance for a blaze faced calf is always a crowd pleaser. She's safe to the AI date and the ultrasound showed a bull calf. This is a pair you don't want to miss on sale day.

Selling 10 units, conventional semen. Available to pick up sale day.

SCHOOLEY KROWN 28K is the all-time high selling bull for the well respected and nationally known Schooley Cattle Company. He is the best bull they have ever raised to date and stands out as a son of KBHR REVOLUTION H071. He is our featured herd sire and we expect him to become a legend in the breed. Get in on the ground floor with a baldy bull who will make them correct and freak numbered. Please call us for more details on this bull.

Selling 10 units, conventional semen. Available to pick up sale day.

Limitless, the \$55,000 high selling bull from Schooley Cattle, is an excellent option for adding WW, YW, ADG, Milk, Marb and REA while maintaining CE. He is the fourth highest ranking bull for TI in the Simmental database with a completely outcross pedigree. This Galileo son offers true shape and performance without sacrificing structure or phenotype. His dam's first five calves have averaged \$23,500!

RVR TYSON 429K

LONESOME PINE FARM

Selling packages of 10 units, conventional semen. Available to pick up sale day.

If you're in pursuit of outcross SimAngus genetics that will add pounds without compromising carcass quality, your search ends here. Tyson is ranked #2 for \$TI EPD SimAngus bulls in the entire database. He seamlessly blends elite marbling genetics with outstanding performance in a way we have never seen before. In person he is physically imposing. This Powerball23 son has consistently excelled on the scales from weaning onwards.

Your local expert in cattle loans

Alabama Farm Credit understands the unique aspects of agricultural and cattle operational financing. We meet the financial needs of our members by first getting to know them and the nuances of each rural-based operation.

Scan to calculate your loan

At AFC, you'll get a competitive rate up front, but also as member you will receive a dividend check every year.

This check is cash back in your pocket. You can choose to invest in your business, your family, or put back to your loan to effectively lower your interest rate.
